Re: Recycle Truck At The Dover Brick First Aid Building

As discussed and determined at our off season meetings, Toms River Public Works Department will place a manned RECYCLE truck at the Dover Brick First Aid Building on Monday mornings from June 27<sup>th</sup> through August 29<sup>th</sup> from 7:30 AM to 11:30 AM. Please encourage your members and guest members to take advantage of this new program. Some beaches may post it on their beach bulletin board, others may announce the message when they make announcements on the beach, and you may also choose to place the information on your club website or email.

Please have members and guests bring I.D. in the form of a tax receipt or rental contract, in case you are questioned.

Have a great summer.
